

Emergency Medical Response Group.

University of Toronto at Scarborough

Dear Potential Sponsor,

We would like to invite you to be a sponsor of the 7th Annual National Mixer Conference for the Association of Campus Emergency Response Teams. The conference will be held at University of Toronto Scarborough from November 9th through 11th, 2007. Since its inception in 2000, the conference has allowed the exchange of ideas and tremendous amounts of practical learning experience through the causality scenario competition to all participants.

The theme for this year's conference is *Quality CPR: The Missing Link in the Chain of Survival*. The Mixer Conference seeks to educate Emergency Responders about the different aspects in emergency first response in an informative yet fun setting while working closely with individuals from other university teams.

The delegates attend numerous seminars during the conference, all designed to broaden the knowledge of its conference attendees and enhancing their organization's operation. We would love to make your company a part of this conference. Sponsoring companies will receive benefits including, but not limited to: website advertisement, product placement and logo inclusion on conference documents. We are also expecting media coverage for this event. Please view the Sponsorship Levels Page for more information on benefits of sponsoring.

In addition to these benefits, sponsorship will expose your company to collegiate leaders, staff and administrators nationwide. This exposure also shows your company's commitment to supporting the education of student campus response teams about the importance of emergency care.

For more information regarding the conference, please visit our website: <http://www.emrgatutsc.com/mixer> or contact us at the information provided below. Checks can be made payable to "Emergency Medical Response Group" MEMO: EMRG Mixer Conference and can be mailed to the address at the bottom of the page. All donations can be fully tax deductible. Please contact and inform our representative or Finance Director to make a donation arrangement.

Many Thanks,
EMRG Executive Team
